Mindset Mathematics Visualizing and Investigating Big Ideas Grade 6 is an innovative and engaging mathematics program that helps students develop a deep understanding of mathematical concepts. The program uses a variety of visual representations, hands-on activities, and real-world problem-solving to make math accessible and meaningful for all students.

The enhanced version of Mindset Mathematics Grade 6 includes access to Google Classroom, which allows teachers to create and assign digital lessons, track student progress, and provide feedback. This makes it easy for teachers to differentiate instruction and meet the needs of all learners in their classroom.

## **Benefits of Using Mindset Mathematics Visualizing and Investigating Big Ideas Grade 6 Enhanced with Google Classroom**

- **Helps students develop a deep understanding of mathematical concepts.** The program uses a variety of visual representations, hands-on activities, and real-world problem-solving to make math accessible and meaningful for all students.
- **Is easy to use and implement.** The program comes with a comprehensive teacher's guide and online resources that make it easy for teachers to get started and use the program effectively in their classrooms.
- **Is aligned with the Common Core State Standards.** The program covers all of the mathematical concepts that are required by the Common Core State Standards for Grade 6.
- **Is engaging and motivating for students.** The program uses a variety of activities and games to make learning math fun and engaging for students.
- **Includes access to Google Classroom.** The enhanced version of Mindset Mathematics Grade 6 includes access to Google Classroom, which allows teachers to create and assign digital lessons, track student progress, and provide feedback.

## **What's Included in the Mindset Mathematics Visualizing and Investigating Big Ideas Grade 6 Enhanced with Google Classroom 1 Yr Subscription?**

- Student textbook
- Teacher's guide

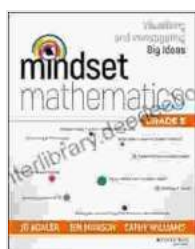

- Online resources
- 1-year subscription to Google Classroom

## **How to Order Mindset Mathematics Visualizing and Investigating Big Ideas Grade 6 Enhanced with Google Classroom 1 Yr Subscription**
