The swings paint arcs against the sky's blue, A symphony of giggles, sweet and true. The slide, a silvery streak of delight, Carries them down to a world of pure might.

The After School Snack

A sweet respite, a cherished treat, The after school snack, a moment so sweet. From crunchy apples to crispy carrot sticks, A symphony of flavors, a culinary flick.

Cookies warm the soul, a comforting embrace, Their chocolatey scent, a happy space. Milk spills enthusiasm in frothy white, Cooling throats

parched from laughter and flight.

The After School Study Time

A time for quietude, a place to learn, The after school study time, a knowledge to turn. Books open wide, revealing worlds yet unknown, As young minds delve into secrets previously sown.

Pencils dance across paper, scribbling dreams, Imagination weaves tales, like vibrant streams. The study time, a sanctuary for thought, Where knowledge grows and boundaries are fought.

The After School Sports Practice

A field of dreams, where sweat and spirit rise, The after school sports practice, under the open skies. Coaches guide with passion, igniting the flame, As players strive for victory, a relentless game.

The ball soars through the air, a graceful flight, Teammates cheer with fervor, day and night. The practice field, a crucible of growth, Where sportsmanship and teamwork are sown and bloomed.

The After School Arts Program

A sanctuary for creativity, a place to create, The after school arts program, a vibrant fate. Brushes paint on canvas, vibrant hues emerge, As imaginations soar, free as a desert surge.

Music fills the air, melodies abound, Instruments sing, harmonious sounds resound. Through dance, bodies move with grace, Expressing emotions, leaving a heartfelt trace.

The After School Club Gathering

A community of kindred spirits, united by passion, The after school club gathering, a heartwarming fashion. From science explorers to bookworms galore, Each club a world, where knowledge they explore.

Chessboards clash, a battle of minds, Puzzles unravel, secrets they find. In clubs they gather, their interests collide, Friendships forged, memories they can't hide.

The After School Walk Home

A solitary journey, a time to reflect, The after school walk home, a path to connect. Footsteps echo on sidewalks, a rhythmic beat, As thoughts wander, bittersweet and incomplete.

The world outside, a tapestry of sights, Familiar corners, bathed in golden lights. A time for introspection, a chance to unwind, The walk home becomes a sanctuary of the mind.

The End of the After School Day

As the sun dips low, casting a golden hue, The after school day draws to a close, a cue. Children bid farewell, their voices filled with glee, Excitement lingers, memories yet to be.

The school bell rings, a signal to depart, But the after school magic remains in every heart. For in these cherished hours, a world was found, Where joy, learning, and connection abound.

The Legacy of After School Time

The after school years, a tapestry so bright, Weaving threads of wonder,
day and night. In these precious moments, a foundation is laid, For the
adults we'll become, wise and unafraid.

Through play and laughter, knowledge and art, We shape our futures,
make a vibrant start. The after school time, a gift so divine, A time to
remember, a time to define.

So let us embrace the after school hours, Nurture our children's dreams,
like blossoming flowers. For in these magical moments, they find their way,
To become the best they can be, each and every day.
