When a distress signal from the边缘of the Federation reaches Earth, the elite Battlegroup Aurora is dispatched to investigate. Led by the brilliant and enigmatic Captain Sara "Raven" Blackwood, they embark on a perilous mission that will test their limits and uncover a chilling truth that could shake the foundations of their civilization.

As the Aurora traverses the uncharted depths of space, they encounter an unidentified alien vessel that possesses unimaginable power. A deadly game of cat and mouse ensues, forcing the crew to confront their own mortality and the fragility of human existence.

With each encounter, the stakes rise higher, and the line between friend and foe becomes increasingly blurred. Amidst the chaos and devastation, Captain Blackwood must make impossible choices, balancing the safety of her crew with the fate of humanity itself.

## **Review**

Astrid Amundsen's Proximity Warning is a gripping and thought-provoking military science fiction adventure that will transport you to a future where the boundaries of human ingenuity and courage are tested like never before.

Amundsen has meticulously crafted a world that is both familiar and utterly alien, where the horrors of war are juxtaposed against the indomitable spirit

of humanity. The characters are complex and relatable, their motivations and struggles echoing the very essence of what it means to be human.

The action sequences are adrenaline-pumping and immersive, leaving you on the edge of your seat from beginning to end. Amundsen's vivid descriptions and masterful pacing create a cinematic experience that will stay with you long after you finish reading.

Beyond its thrilling adventure, *Proximity Warning* raises important questions about the nature of war, the price of peace, and the resilience of the human spirit. It is a novel that will resonate with readers long after they turn the last page.

## **Author Biography**

Astrid Amundsen is an award-winning author of military science fiction and space opera. Her work has been praised for its gripping storytelling, thought-provoking themes, and well-developed characters.

Amundsen's passion for science fiction stems from her childhood fascination with the vastness of space and the indomitable spirit of exploration. She believes that science fiction has the power to inspire, challenge, and transport readers to other worlds, where they can experience the wonders and perils of the unknown.

When she's not writing, Amundsen enjoys spending time with her family, exploring the outdoors, and gazing up at the starlit sky.
