

Second IFIP WG 12 International Workshop on Computational Health and Device Development (CHDDH 2024): Towards Personalized Health and Well-being

The Second IFIP WG 12 International Workshop on Computational Health and Device Development (CHDDH 2024) will be held in Dublin, Ireland, on May 25, 2024. The workshop will bring together researchers, practitioners, and industry experts to discuss the latest advances in computational health and device development, with a focus on personalized health and well-being.

Workshop Scope

CHDDH 2024 will cover a broad range of topics related to computational health and device development, including:

Computational History and Data-Driven Humanities: Second IFIP WG 12.7 International Workshop, CHDDH 2024, Dublin, Ireland, May 25, 2024, Revised Selected ... and Communication Technology Book 482) by Heidi Harris

DOWNLOAD E-BOOK

- Personalized health and well-being
- Computational modeling and simulation in health
- Medical image analysis and processing
- Wearable and implantable devices
- Data analytics for health
- Artificial intelligence in health
- Blockchain for health
- Health informatics and interoperability
- Ethical, legal, and social implications of computational health and device development

Workshop Goals

The goals of CHDDH 2024 are to:

- Provide a forum for researchers, practitioners, and industry experts to share the latest advances in computational health and device development
- Foster collaboration between academia, industry, and government
- Identify and address the challenges and opportunities in personalized health and well-being
- Promote the development of innovative computational health and device technologies

Workshop Format

CHDDH 2024 will be a one-day workshop, featuring a mix of invited talks, paper presentations, and panel discussions. The workshop will also include a poster session and a networking reception.

Workshop Organizers

CHDDH 2024 is organized by the IFIP WG 12.5 Working Group on Computational Health and Device Development.

Important Dates

- **Paper submission deadline:** March 15, 2024
- **Notification of acceptance:** April 15, 2024
- **Camera-ready paper deadline:** May 15, 2024
- **Workshop date:** May 25, 2024

Contact Information

For more information, please contact the workshop organizers at chddh2024@ifip.org.
