Legends whisper through the corridors of time, recounting four distinct nightmares that have forever etched themselves into the castle's tenebrous legacy. Each nightmare, a haunting echo from the past, paints a vivid canvas of terror and suspense, leaving an enduring mark on the psyche of those who dare to tread within its cursed walls.

Nightmare One: The Phantom Bride

As the clock strikes midnight, a spectral figure emerges from the depths of the castle, her ethereal presence casting a pall of dread upon the grand staircase. Adorned in a flowing white dress, her face concealed by a translucent veil, the Phantom Bride glides through the shadows, her footsteps soundless against the cold stone floor.

Her lamentations are a harbinger of impending doom, a chilling serenade that sends shivers down the spines of the living. Those who hear her keening wail are said to be marked for an untimely demise, their fates sealed by the curse of the banshee's mournful song.

Nightmare Three: The Shadow Stalker

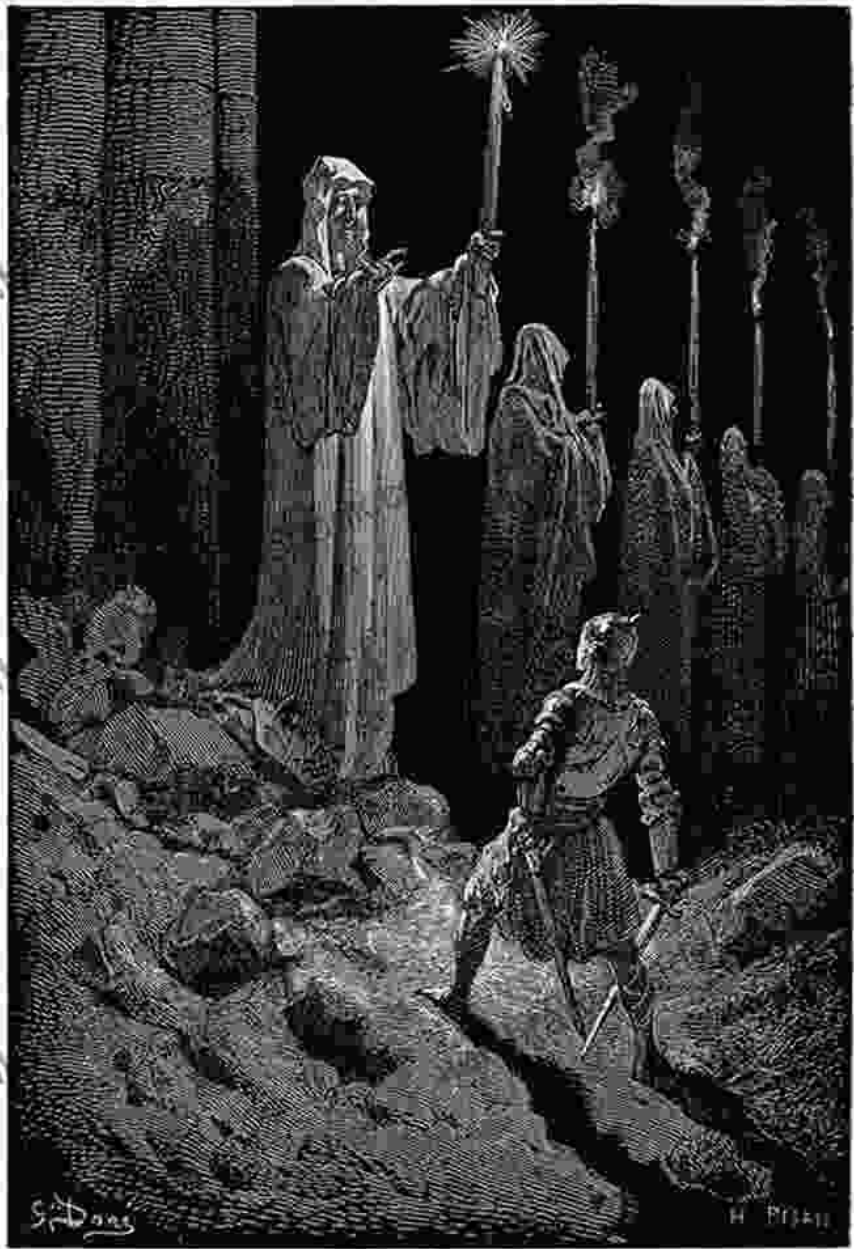

In the hidden corners of the castle, where darkness reigns supreme, lurks the enigmatic Shadow Stalker. Its ethereal form, shrouded in inky black,

moves with an unnerving grace, its piercing red eyes illuminating the gloom.

The Shadow Stalker preys on the fears of the living, its presence a constant reminder of the fragility of life. Its victims are found lifeless, their faces contorted in expressions of terror, their souls forever ensnared in the nightmare's grasp.

Nightmare Four: The Spectral Sentinel

Guarding the castle's ancient drawbridge stands the imposing figure of the Spectral Sentinel. Clad in full armor, its spectral form exudes an aura of authority that chills the marrow.

The Sentinel is an unwavering guardian, its presence an eternal reminder of the castle's dark past. Its glowing eyes pierce through the darkness, searching for intruders who dare to trespass upon its haunted grounds.

Those who cross its path are met with swift and merciless retribution, their souls consigned to an eternity of servitude within the castle's cursed walls.
